## Section 1: Listing Procedures

### **Section 1.0 – Listing Procedures**

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the multiple listing service, and are taken by Participants on Exclusive Right to Sell and Exclusive Agency forms (See Notes 1 and 2) shall be delivered to the Multiple Listing Service within 48 hours after all necessary signatures of seller(s) have been obtained. (Amended 11/01)

- (a) Single family homes, condos, mobile/manufactured homes sold with land for sale or exchange
- (b) Vacant lots and acreage for sale or exchange
- (c) Two-family, three-family, and four-family residential building for sale or exchange
- (d) Commercial (improved, unimproved, acreage & business only properties)

**NOTE 1:** The Multiple Listing Service shall not require a participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a "Property Data Form" may be required as approved by the Multiple Listing Service. However, the Multiple Listing committee, through the Association's legal counsel:

- May reserve the right to refuse to accept a listing form, which fails to adequately protect the interest of the public and the Participants.
- May assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller).

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to cooperate with other Participants of the Multiple Listing Service acting as transaction brokers: single agent, buyer agents, or both. (11/96)

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service. (Amended 08/24)

The different types of listing agreements include:

- exclusive right- to-sell
- open
- exclusive agency
- net

The service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted, except where required by law, because of the inherent nature of an open listing cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interest of their clients. (Amended 08/24)

The **exclusive right to sell** listing is the form of listing where the seller gives exclusive authorization to the listing broker to cooperate with other brokers in the sale of the property. (Amended 4/92)

The **exclusive agency listing** also authorizes the listing broker, as exclusive agent, to cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote exclusive brokerage and exclusive right to sell listings with prospect reservations. (Amended 08/24)

**NOTE 2:** The Multiple Listing Service does not regulate the type of listings its Members may take. This does not mean that the Multiple Listing Service must accept every type of listing. The Multiple Listing Service declines to accept open listings (except where is required by law) and net listings and may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the Multiple Listing Service.

**NOTE 3:** A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. (Amended 08/24) **M**

## Section 1.01 – Clear Cooperation

(Adopted 11/19) **M**

**NOTE:** Exclusive listing information for required property types must be filed and distributed to other MLS Participants for cooperation under the Clear Cooperation Policy. This applies to listings filed under Section 1 and listings exempt from distribution under Section 1.3 of the NAR model MLS rules if it is being publicly marketed, and any other situation where the listing broker is publicly marketing an exclusive listing that is required to be filed with the service and is not currently available to other MLS Participants. Residential properties that are currently "Under Construction" or Pre-Construction" may be entered on a voluntary basis and are exempt from the requirement. (Updated 3/4/21)

If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants through Realtor® Remarks only. **R**

**NOTE:** The phrase "Owner Refused to Sell" shall be the only notice reported within the MLS system. If the participant wants to disclose or expand further on the subject he/she should find other means of communications and shall do so at their own risk of exposure to other events from the affected parties. (Adopted 9/08)

## **Section 4: Prohibitions**

## Section 4.3 - Solicitation of Listing Filed with the Service

Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

**NOTE** This Section is to be construed in a manner consistent with Article 16 of the REALTORS® Code of Ethics and particularly Standard of Practice 16-4

This Section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through the MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This Section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics. **M**

## Section 4.4 – Use of Terms MLS and Multiple Listing Service

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. **M**

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. - Appropriate, reasonable fine not to exceed \$15,000

Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14)

Further failure of any user or subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. (Amended 11/20) **M**

### **Section 9.1 – Violations of Rules and Regulations**

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Multiple Listing Service committee, and if a violation is determined, the committee may direct the imposition of sanction provided that the recipient of such sanction may request a hearing by the Professional Standards Committee of the Association in accordance with the bylaws and rules and regulations of the Association of REALTORS® within twenty (20) days following receipt of the committee's decision. (Amended 11/96)

If, rather than conducting an administrative review, the MLS Committee has a procedure established to conduct hearings, the decision of the MLS Committee may be appealed to the Board of Directors of the Association of REALTORS® within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the Association's Grievance Committee for processing in accordance with the professional standards procedures of the Association, except that if the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the Association. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the committee will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee that the use is authorized. Any proof submitted will be considered by the Committee, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee determines that the use of the content was unauthorized, the Committee may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. (Adopted 5/18) **M**

## Section 9.6 - MLS Fines Process & General Policies

1. When an error report is received, the email for the listing agent and broker is sent a notification that the listing is in error.
  - a. ***Note: CPAR MLS is only responsible for making sure that the notification has been sent, due to the nature of various email systems, we cannot control whether the email is received. That is the responsibility of the member. Best practice for members is to make sure all CPAR addresses are in their address books to ensure mail delivery.***
2. The listing agent then has 2 business days from first notification to fix the error, or respond with permission for CPAR MLS to fix it for them. (Amended 6/22)
  - a. Note: All timelines are defined as business days which exclude weekends and federal holidays. if CPAR offices are closed, timeline continues on next business day.
3. During the 2 business day period, a minimum of 1 other notification must be made in order for the member to be fined. (Amended 9/23)
4. If on business day 3 the listing member has received a minimum of 2 notifications and has still not fixed the error, a \$100 fine is applied to their account, and the listing is deleted from the MLS. Once the member responds with how to fix the error, the listing is re-instated. (Amended 6/22)
5. Fines increase by \$50 for each subsequent offense of the same type. 2<sup>nd</sup> offense \$150, 3<sup>rd</sup> offense \$200, etc. Fine schedule to be reset after 3 years of no violations of the same offense.

  - a. If the class option is chosen, it must be completed before quarterly due date or the fine will be imposed.
8. ALL Fine disputes must be presented to the MLS Committee.
9. Should errors occur on the same listing or property type by a member on the same day (i.e. 2 units in the same condo), these errors would be "grouped" as ONE error. NOT separate errors.
10. The following rules are also handled via automated processes, and will be fined according to the above policies:
  - a. Projected Close Date in the Past
  - b. No Photo on Listing
  - c. Invalid Room Size
11. If an error report is received that has contact information in the public remarks, photos, videos or virtual tours, CPAR MLS will:

  - b. Edit the listing to immediately remove the information.
  - c. Send the listing agent an email to inform them of the error, and that future contact info errors will be fined immediately.
  - d. Note the profile in the back end software, so if error happens again, the listing agent is fined \$250 immediately for future infractions.
  - e. Subsequent fines increase by \$50 per infraction.
12. Regarding reports of photos copied from a listing without permission: The first time an agent copies photos, Staff removes the photos and a warning is sent. The second time a \$500 fine is imposed. The third time a \$1000 fine is imposed. (Added 4/22)

An agent may use IDX data on their own web site(s), after applying for and receiving approval to the data feed from any MLS that they are a subscriber. They shall never use a data feed that originates from an MLS that they are not a subscriber. An office may use IDX data on its own web site(s), after applying for and receiving approval to the data feed from any MLS that it is a Participant. This feed should not be used on any agent level web site. A company with multiple offices that spans multiple MLS areas may dump all data into one central database to be used on a Company web site, but they must apply for the feed and be clear that it is for the Company. This is to say that an office should not just apply for a feed and take it upon itself to give that feed to a parent company. If a company web site is going to have a method of registration of the customer to include the agent they have chosen to work with, then any search done by or saved by the customer should be automatically filtered by the MLS ID that the agent is a subscriber of. **C**

## **Section 19: Virtual Office Website (VOW) Rules for MLSs**

### **Section 19.1 - VOW Defined**

- a. A Virtual Office Website ("VOW") is a Participant's Internet website, or a feature of a Participant's website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant's oversight, supervision, and accountability.
- b. As used in Section 19 of these Rules, the term "Participant" includes a Participant's affiliated non-principal brokers and sales licensees – except when the term is used in the phrases "Participant's consent" and "Participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("AVP") on behalf of a Participant.
- c. "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.
- d. As used in Section 19 of these Rules, the term "MLS Listing Information" refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants. **M**

## Section 19.2

- a. The right of a Participant's VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b. Subject to the provisions of the VOW Policy and these Rules, a Participant's VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange ("IDX").
- c. Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant's VOW. **M**

## Section 19.3

- a. Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:
  - i. The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agencies, non-agency, and other disclosure obligations, and execution of any required agreements.
  - ii. The Participant must obtain the name of and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
  - iii. The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.
- b. The Participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant's password.

- c. If the MLS has reason to believe that a Participant's VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.
- d. The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a "Terms of Use" provision that provides at least the following:
  - i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;
  - ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;
  - iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
  - iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;
  - v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.
- e. The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- f. The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant. **M**

## Section 19.4

A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW. **M**

## Section 19.5

A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS. **M**

**NOTE** MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

## Section 19.6

- a. A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.
- b. A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision.
- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater. **M**

## Section 19.7

a. Subject to subsection (b), a Participant's VOW may allow third-parties:

- i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

b. Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller." **M**

## Section 19.8

A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment. **M**

## Section 19.9

A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days. **M**

## Section 19.10

Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTOR® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing information to any person or entity. **M**

## Section 19.11

A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used. **M**

## Section 19.12

A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, or type of property. (Amended 11/21) **M**

## Section 19.13

A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies. **M**

## Section 19.14

A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant. (Adopted 1/09) **M**

## Section 19.15

A participant's VOW may not make available for search by or display to Registrants any of the following information:

- a. Expired and withdrawn listings

## Section 19.16

A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields **O**

## Section 19.17

A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability. **O**

## Section 19.18

A Participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, the listing broker or agent, and the email or phone number provided by the listing participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. **O**

## **Section 19.19**

A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry. **O**

## **Section 19.21**

A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party. **O**

## **Section 19.24**

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS. **O**

## **Section 19.25**

Where a seller affirmatively directs their listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 48 hours. **O**
